NSW 'FLYING HIGH' IN THE BLACK TYPE ARENA

There is something really special about Black Type racing. It is the pinnacle that we, as owners, all aspire to.

To win any race is a fantastic experience for an owner – leading your horse into the winner's stall – the cheers from the crowd and all the accolades associated with winning, but to win a Black Type race would be just surreal.

The 2008/2009 racing season is but two months old, but already NSW-trained horses are showing their superiority on the track having recorded some 42 victories in Black Type races to date.

The graph which appears under (current to late September) shows NSW with 52% of the winners. How good is that!

As you can imagine there would be some very delighted owners out there, pleased to be included in this statistic. Our congratulations to the owners of all the Black Type winners and indeed, to all owners who have had winners so far this season.

The breakdown of wins is also impressive – see the following graph.

As at 27th September 2008, three Group One races have been run and NSW-trained horses have won two of these events. The first Group One of the season was the MVRC Manikato Stakes which went to the Tim Martin-trained Typhoon Zed who also has a Group 3 win to his credit in the Concorde Stakes this season.

The other NSW Group One winner was Mentality (trained by John Hawkes and co-owned by NSWROA members Mr Michael and Mrs Gail Crismale) who was successful in the George Main Stakes at Royal Randwick in late September.

Three horses who were award recipients at the NSWROA Racing Night of Champions, have followed on from their successes last season with Black Type wins in the early stages of this season.

The 2007-2008 NSW Champion Horse of the Year, Tuesday Joy recorded a Group 2 win in the W.H. Stocks Stakes at Moonee Valley on 13th September.

Racing to Win, the NSW Sprinter/Miler of the Year for 2007-2008, was successful in the Gr 2-Warwick Stakes at Warwick Farm on 23rd August.

Last season's NSW Provincial Champion Horse of the Year, Samantha Miss, returned to racing in magnificent form recording wins in the Gr 3-Silver Shadow Stakes at Warwick Farm, the Gr 2-Furious Stakes at Randwick, the Gr 2-Tea Rose Stakes at Randwick and the Gr 1-Flight Stakes at Randwick.

NSWROA members are also off to a flying start in the Black Type arena. Unfortunately, due to space restrictions I cannot list all of the winners but hereunder are some highlights (in alphabetical order) for the lucky owners:-

- **Bhutane Dane** (Danehill Dancer (Ire)-Joleur): Co-owned by Nick and Amy Vass and Fred Crews and trained by Gai Waterhouse, he recorded his first Black Type success in the Listed-Heritage Stakes at Rosehill Gardens in September. Bhutane Dane has only faced the starter five times for two wins and two placings.
