AN ABUNDANCE OF WINNERS FOR NSWROA MEMBERS

A winner – there are no better words for an owner to hear!

One owner I was speaking with recently put a winner on a par with that lovely 'big red ball' landing on his doorstep.

Another compared it to his wedding day – both being "the best day of his life".

Winning a race is a wonderful experience; it's something that I hope all of our members' experience.

So what better way to say "come and join our ranks" than to publicise the feats of our members!

January was the start of a new calendar year and the start of a state-wide winning streak for New South Wales Racehorse Owners Association (NSWROA) members.

Not only did our members record winners in most regions of the State, they recorded wins in all classes of races including in the

Black Type arena.

In total from some 74 race meetings conducted, NSWROA members recorded 68 winners. That's a 91.89% success rate for winners/meeting.

In week one of the month there were 21 race meetings conducted in NSW and NSWROA members recorded the following winners:-

It would be remiss of me not to mention the feats of Tommifranco who is part-owned by Mr J L Thompson.

Tommifranco had three race starts in January for two Black Type wins in the

AJC Tattersalls Club Cup and the STC Underwood Cup.

If you are interested in participating in this wonderful sport, why not join the winning ranks of the NSW Racehorse Owners Association.
