

# OUR NEWCASTLE 'NURSERY'

---

The redeveloped course proper at Newcastle Racecourse is like no other track in Australia and our 900m chute without peer for impressionable 2 year olds.

Our wide, even track offers a long run into the first turn, a velodrome-like camber and a 420m straight that gives every horse a chance - and all this on an unequalled cushion of StrathAyr kikuyu.

## SPECIAL OFFER FOR 2YO OWNERS

The Newcastle Jockey Club is delighted to offer four (4) complimentary three-course meals with a drink on arrival in our superb trackside Chevals Restaurant overlooking the winning post for owners of 2YO's having their first start at Newcastle Racecourse over 900m.

**And - if you win we'll throw in a bottle of Möt & Chandon!!\***
