
APRIL 2020 NEWSLETTER

FROM THE PRESIDENT'S DESK

It's been a tough couple of months for everyone, but in the racing industry, at least we can be grateful that we have been allowed to keep competing.

While there have been – understandably - prize money cuts, trainers, jockeys and other staff have been able to keep working and therefore our horses have been afforded the opportunity to keep the wheels turning for we owners.

It was gratifying to see The Championships be conducted without a hitch and hats off to Racing NSW for assuring that protocols have been in the main, strictly adhered to by participants so that 'the show can go on'.

As we notified earlier this month, we will be moving our AGM to a later date. It will most likely be held on an evening in July, with the hope that members will by then be able to attend. You will be advised of the date after our next Board meeting.

As the Covid-19 situation becomes clearer in the coming weeks or months, we will also advise of the scaled down format of what is usually 'Racing's Night of Champions' and the date of these annual NSWROA Awards.

MEMBER'S CORNER: RETIRED RACEHORSES

NSWROA Secretary Tom O'Callaghan sent in this photo of his retired racehorse **Red Dubawi**.

The winner of six races and over \$280,000 in prizemoney, Red Dubawi was trained by Kerry Parker at Kembla Grange.

Nowadays, Red Dubawi is spending his time 'rounding up the field' of another sort on a cattle farm.

If you have a photo of your ex-racehorse in a new role, please send it in!

HISTORICALLY SPEAKING

Proud Winning Owners

By Graham Caves

(NSWROA member and volunteer at the ATC Heritage Centre)

As members of this organisation you would all be seeking to be a proud owner of a winner. Perhaps any winner, or aim higher for a city winner, or higher again for a black-type winner, and yet higher – a Group One winner.

Achieve any of these and you'll most likely obtain a photo of the success or a DVD, USB, or some memento of the feat.

At the ATC Heritage Centre there are hundreds of photos of race finishes and return to scale photos, and many a photo of a proud owner greeting his or her "champion" to its reception in the winners stall.

I've picked three for you.

Mr. Doyle and Show County:

In the late 1980s, early 1990s, one of the best sprinters in Sydney Town was Show County. He won numerous races including 11 black-type races such as the Breeders' Plate, Silver Slipper Stakes, Maribyrnong Plate and Canterbury Stakes, among others. This photo (above) shows him, and rider Brian Wood, being led back to scale by his owner Mr. M. Doyle after winning the San Domenico Stakes at Warwick Farm in August 1989.

Mr. Haley and Tulloch:

An owner who had several good racehorses over a very long period of time, Mr. Evelyn Haley saved the best to last. At a grand old age Haley raced Tulloch – an immortal of the Australian Turf who won 36 of his 53 starts, including three Sires Produce Stakes, three Derbies, two St. Legers, a Rosehill Guineas, Caulfield Guineas, Caulfield Cup, Brisbane Cup, Cox Plate and upwards of 20 weight-for-age races. Haley is seen in this photo (left) greeting his champ and doesn't he look happy and proud.

Miss B. Palmer and Talisman:

Staying races were still the order of the day in the mid 1950's and one of the better handicap stayers was a son of Midstream called Talisman. When he came back to the yard after winning the two mile Sydney Cup of 1955 he was greeted with a pat (and maybe a kiss) by a delighted owner Miss B. Palmer.

Here's to your next winner!!

A green promotional banner for TAB. On the left, a jockey in green and white silks is riding a dark horse. In the center, a yellow ribbon graphic contains the text "JOIN TAB TODAY". Below this, the main headline reads "TAKES LESS THAN 1 MINUTE TO GET STARTED" in large, bold, white capital letters. Underneath the headline, smaller white text says "Think! About your choices. Call Gambling Help 1800 858 858 www.gamblinghelp.nsw.gov.au. Gamble responsibly." On the right side of the banner, there is another jockey on a brown horse, and the "TAB" logo is displayed in a white box with a green border.
