## DECEMBER 2020 NEWSLETTER

### FROM THE PRESIDENT'S DESK

It is pleasing to finally have some of our Covid restrictions lifting and life beginning to return to 'normal' in time for Christmas.

It has certainly been a very tough year for everybody and I hope that no-one was too severely impacted by the pandemic.

Australia is indeed very lucky to have kept on top of the situation and for racing in NSW to continue without too many hiccups, courtesy of Racing NSW and the ATC.

Our final event of the year was the Christmas luncheon on Villiers Day.

Held in the Champagne Lounge, it was a fabulous afternoon attended by 70 guests.

The raffle held for the Team Tye Foundation raised a touch short of \$5,000.

Tye England was a special guest and gave a interesting interview, along with trainer Mark Newnham, who tipped the room Greysful Glamour in the Villiers.

I managed to meet many of our members on the day.

The Board and I are looking forward to 2021 and to further establishing some good relationships and contacts which will benefit racehorse owners in this state.

Renewals for 2021 NSWROA memberships will be due soon. We really appreciate your continued support and ask you to encourage fellow racehorse owners to also join, with the size of the Association increasing its influence.

On behalf of the Board, our CEO Jane Henning and myself, have a wonderful Christmas and let's all look forward to a fantastic New Year.

Best regards

**Tony Mitevski**

## SOCIAL EVENTS

### VILLIERS DAY CHRISTMAS LUNCHEON

It was a fine day and the view from the Champagne Lounge down the home straight was fabulous. Seventy guests attended the event, including our special guest, Tye England. The raffle which supported his charity, Team Tye Foundation, raised nearly \$5,000.

The raffle was conducted and drawn electronically online through specialist site Raffletix, which meant ticket buyers could check the results as they appeared.

Many of the winners were in the room, including the main prize winner, Rachel Park, who won the fabulous stay at Vinery Stud's Homestead for 8 guests, including a stallion parade and farm tour.

### Introducing a New Member Benefit for the Ladies!

**Stuck for what to wear to an upcoming race day? Welcome The Shared Atelier.....your millinery rental service.**

Dynamic duo Kate Yates and designer Rae Walters came up with the idea of a headpiece rental service after attending many race days at Royal Randwick and Rosehill Racecourse.

Kate, part of the owners' syndicate of the incredibly successful racehorse, Redzel, was tired of paying a fortune for a new headpiece every time she went to an event. Her designer friend, Rae, was creating one-off pieces that were literally turning heads...add in a combined love of fashion and a few bubbles, and their business **The Shared Atelier**, was born.

Now, the Sydney startup is a leading online destination for women in Australia to rent designer headwear, helping them not only to save money, but also the environment.

“Australians dispose of approximately six tonnes of fashion to landfills every 10 minutes, so we knew sustainability was a key part of our business. The Shared Atelier provides access to designer headpieces to complement women’s race day outfits with a socially, environmentally and budget friendly solution”, says Kate.

“There’s nothing new about hiring clothes. With off the rack rental services and suit hire being around for years, we found there was very limited availability of headwear to rent. And these statement pieces can retail for hundreds of dollars, often only to be worn once”, says Rae.

NSW Racehorse Owners is very pleased to introduce the support of The Shared Atelier, who are offering **\$25 off all rentals** to our financial members. So, ladies, be sure to remember The Shared Atelier when you’re planning your next race day outfit and enjoy a beautiful piece of millinery for a fraction of the typical investment....then pop it back in the post and receive a new, designer headpiece for every event on the racing calendar!

Visit [www.thesharedatelier.com.au](http://www.thesharedatelier.com.au) and enter discount code ‘**NSWROA**’ at checkout to receive \$25 off any rental.

## HISTORICALLY SPEAKING

### The Race Photography of Fred George

By Graham Caves

*(NSWROA member and volunteer at the ATC Heritage Centre)*

Among the hundreds of framed paintings and photographs in the ATC Heritage Collection there are many of the works of F W George. Fred George was a photographer who specialised in the 1940/1950s in photographing race finishes to sell to the connections of the winning horses.

He was a pioneer of the hand-touched colourising of the black and white photography of the day. Up until the 1940s almost all race finishes and return to scale photographs were black and white because colour photography of moving subjects was not of a high standard and was very expensive. When Fred George began to hand-touch his black and white photographs into colour it was a revolutionary process. He was brilliant at it and soon others started to copy him and Akers and Tony Simon in Melbourne did the same. Others tried and failed lamentably.

(left) **De La Salle** – charismatic mare and winner among many other races of the 1948 Epsom Handicap.  
 (right) **Diamond Vista** – a quality 2YO and later high class sprinter.

Through the 1940s into the early 1960s most race finishes were hand-coloured in this style. Combined with some wonderful calligraphy captioning the photographs with details of the triumph and recording the names of the connections, many a treasured memory was created to adorn the homes of racing folk of the time.

Colour photography took over in the 1960s but the tradition of producing race finish photos with details of the race on the surrounding mount remains to this day.

Fred George was a prolific worker and if you haunt second-hand shops, garage sales, car boot sales and the like you will come across his work. The man himself remains little-known. Perhaps he liked it that way, but this writer has tried hard to find out more about him and found precious little. If any of you know more, I would love to learn of it.

**Bernborough** – This example of Fred George's work is among his finest. Most assume it is an original coloured photo.
