NSW RACEHORSE OWNERS' ASSN RACING AWARDS

2021

Celebrating the best

Introduction by the NSWROA President

On behalf of the Committee of the NSW Racehorse Owners Association (NSWROA), it is my honour to welcome our members, sponsors and industry participants to the announcement of the winners of the 20/21 Awards.

In this extremely challenging time, as the world continues to battle Covid-19, NSW racing has been privileged to have continued uninterrupted, largely through the efforts of Racing NSW and the ATC's conduct of metro meetings.

While we weren't able to hold our Racing's Night of Champions this year, I would like to thank the Australian Turf Club for providing a platform for us to announce our winners this year.

I also acknowledge the generous contributions of the sponsors who support these iconic awards, which have now been running for over 35 years. Please accept my sincere thanks, as this event would not be possible without your backing. The partnerships, both old and new, are greatly valued by NSWROA.

My congratulations to all the worthy nominees and category winners on the fruition of the effort it takes to attain the highest level.

Tony Mitevski
